The Road to Pandemic Recovery Begins Here

As luxury ground transportation professionals and an essential business, we have been closely monitoring and adapting operating procedures based on the advice of experts, including the Centers for Disease Control and Prevention (CDC), Department of Transportation (DOT) and the Nevada Transportation Authority (NTA) to do our part in reducing the spread of contagions including COVID-19. We thought we would share the protocols we have adapted to ensure the health and safety of our passengers, team members and clients.

Personal Protective Equipment

- ◆ Team members are told to stay home if they are sick and follow their doctor and CDC criteria to discontinue home isolation before returning to work
- ◆ Facemasks are optional for all chauffeurs and passengers
- ◆ Chauffeurs will wear facemasks upon the request of the passenger
- ◆ Hand sanitizer at 70% alcohol and/or disinfecting wipes are in each vehicle
- ◆ The office is deep cleaned each evening and disinfected (air/walls/all surfaces) by an industrial cleaning contractor once per week

Vehicles

- ◆ Vehicles are deep-cleaned by an industrial cleaning contractor at least once per day using a disinfecting industrial cleaner that kills a host of human viruses and bacteria including COVID-19
- ◆ Each vehicle is equipped with disinfecting cleaner and time is built in between trips for chauffeur cleaning of frequent-contact areas between rides including seats, armrests, headrests, luggage storage areas, interior/exterior door handles
- ◆ Magazines and newspapers have been removed from vehicles

shared rides)

- ◆ Water will be available upon request only
- ◆ The 'recirculated air' setting on the climate control function is prohibited for use
- ◆ Only passengers traveling together can ride together (no

Hygiene/Payment Practices

- ◆ Chauffeurs are required to engage in frequent hand washing and sanitizing.
- ◆ Passengers may handle their own luggage upon request
- ◆ We provide a variety of contactless transaction options and do not accept cash for rides.
- ◆ Passengers are asked to dispose of their facemasks, water bottles, tissues and disinfecting wipes upon exiting the vehicle.
- ◆ Passengers and chauffeurs are reminded to avoid touching their face, wash hands regularly with soap and water for at least 20 seconds or use alcohol-based hand sanitizer (at least 60% alcohol).
- ◆ Always wash hands before, during and after preparing/eating food; using the bathroom; blowing your nose, coughing or sneezing; handling passengers' belongings; between rides or wearing/removing face coverings. CDC Guidelines are posted in each vehicle.
